VDHA Website. This feature can be easily customized by each of you.

We have a few rules, but they are not too strict. We ask that there be no profanity or negative reference to others. This

is YOUR profile about YOU. Feel free to briefly give your Military History or talk about your dogs, best friends,

memories, etc.

You might want to use a text processor to create your Biography in advance so you can tweak it to look exactly like http://vdhaonline.newfangled.com/content4778.html (1 of 4) [9/5/2007 10:48:42 PM] you want it to, and this also gives you the ability to do research to make sure dates and information is correct.

When everything is perfect, you can copy and paste it in the Biography area in your VDHA profile. Here is how you do that:

In order to update your own Biography, you need to access your account in the Member Area. To do this, you must be

2. Select the "Member Area" pulldown.

3. Select "Update Personal Information".

4. You should now be at the Update Personal Information page.

5. Scroll down to the bottom of the page to the field labeled "Biography".
